

OAK CLASSIC

Classic is a natural-looking grade in which the natural grain pattern and colour variation of the wood are clearly visible. The natural knottiness of wood with a few small knots is allowed within the Classic grade. The Classic grade also allows small knot groups, the so-called cat paws, as well as the filling of knots and the natural reflective pattern of oak, i.e., the pattern created by the medullary rays of the tree. **NOTE! The surface treatment might affect to the tone and outlook of the putty area.**

General grading picture

Special characteristics of the grade:

- filled knots (A)

- small knot groups, so called "cat paws" (B)

- oak mirror (C)
